EDUCATION

University of Michigan College of Engineering - Ann Arbor, MI

- B.S.E in Nuclear Engineering | GPA: 3.72 | Expected May 2028
- Relevant Coursework: Intro to Nuclear Engineering, Applied Mathematics for Engineering Physics, Sustainable Engineering & Materials, Intro to Programming (C++ and MATLAB)
- Involvement: American Nuclear Society (Vice President), Michigan Materials Society

Half Hollow Hills High School East - Dix Hills, NY

Class of 2025

- Honors: National Merit Scholarship Recipient; Class Rank: 4/400
- Selected to science research program; 1 of only 7 to complete rigorous 4-year research track

RESEARCH AND PROFESSIONAL EXPERIENCE

Researcher, University of Michigan, Ann Arbor MI

March 2026 - Present

- Evaluating deployment scenarios and offering policy solutions for the underappreciated, impending fusion waste problem; Investigating existing regulatory frameworks, adaptability of fission waste policy and systems, and infrastructure preparedness for commercialized fusion
- Working under the mentorship of Professor Aditi Verma and Muhammad Rafiul Abdussami

Nuclear Engineering Intern, Brookhaven National Laboratory, Upton NY

June 2026 – August 2026

- Selected to join the U.S. DOE's Scientific Undergraduate Laboratory Internships program
- Will be working with Dr. Mehmet Topsakal in the Materials for Energy Applications Group

Project Aurora: Radiation Visualization System, M-Atomics, Ann Arbor MI

October 2025 -Present

- Assisting in the ongoing design of a solid-state particle detector (Peltier-cooler cloud chamber) that replaces traditional dry ice with high-efficiency Peltier cooling modules

Water Quality Researcher, Independent, Dix Hills NY

May 2024 - April 2025

- Determined primary causes of hypoxia in the Long Island Sound to inform more targeted remediation efforts. Considered ten different variables by analyzing thousands of data points
- Earned letters of recognition from the U.S. Environmental EPA and the U.S. Navy/Marine Corps

WORK EXPERIENCE

Counselor and Lifeguard at Camp Taconic

Summer 2025

- Waterski Instructor: Taught technical skills for beginner to advanced skiers; managed maintenance and logistics for boat fleet and waterfront equipment; provided waterfront surveillance and emergency response (Red Cross Certified Lifeguard/CPR/First Aid)
- Bunk Leadership: Oversaw safety and upheld behavioral standards for nine 11-year-old campers

Counselor at Driftwood Day Camp

Summer 2024

- Supervised fifteen 7-year-old campers; distinguished by camp owner for leadership shown
